DECISION

ON

PETITION

This is in response to the petition filed January 30, 2004, requesting permission for withdrawal as attorney from the above-identified application.

The Commissioner of Patents and Trademarks requires that there be at least thirty days between approval of withdrawal of attorney of record and the expiration date of a time response period so that the Office can attempt to notify the applicant of the withdrawal and the applicant may have sufficient time to act. In this case there was less than thirty days. The **withdrawal is effective when approved** rather than when received.

The Petition is Denied.
